A. What is a jacket potato? Listen, read and find out.

JACKET POTATOES!

Jacket potatoes are delicious, healthy and very easy to make.

What to do:

1. Heat the oven to 200°C.
2. Take some large potatoes, wash them well and make holes in them with a fork.
3. Put butter or oil on the potatoes and put them in aluminium foil.
4. Bake them for 1-2 hours.
5. Use a fork to see when they are ready. You can also put them in the microwave and bake for 8-10 minutes.

The fun bit

There are lots of different fillings or toppings for your jacket potato. When it's ready, just cut your potato open and fill it up. You can keep it simple, or you can go wild! It's up to you. Here are a few ideas to get you started.

The classic: beautiful butter!

Mmmmm...cheese!

Tuna and sweetcorn: The perfect match!

Cheese, onion and sweetcorn: Delicious!

Cheese, onion and mayonnaise!

B. Read again and write T for True or F for False.

1. The first thing to do is heat up the oven. ☐
2. You need to make holes in the potato with a fork. ☐
3. You put butter or oil on the aluminium foil. ☐
4. You need to cook them in the microwave for 1-2 hours. ☐
